

A Prayer for When I Just Want to Fix it All

Lord, I confess to You my shortcomings.

I confess to You that I often try to take Your job by fixing it all.

I acknowledge You as God and trust You as Lord over all.

Help me in my weakness, Father, to relinquish what I think of as control and allow You to lead me and guide me in Your truth.

God, remind me that there is freedom in letting go and trusting You.

You are so trustworthy and faithful.

Amen.
